Nothing in this paragraph shall prohibit the Executive Board from proposing and submitting a special assessment for approval at the annual meeting of the Owners' Association.

E. Special assessments as the result of an emergency shall be made only after notice thereof and the need therefore has been given to all owners in the same manner as notice for special assessments of a non-emergency nature. Approval of an emergency special assessment shall require a majority vote of the owners and shall become due within thirty (30) days of the approval.

f. An accounting shall be made of all Association accounts at least annually at the annual meeting of the Owners' Association. A majority of the owners or a majority of the Executive Board may require an audit of the accounts by an independent party with the cost of such audit to be paid from the current expenses account.

A lien for unpaid assessments may be foreclosed by suit by the Association or its representatives in like manner as a real property mortgage, provided that thirty (30) days written notice of the intent to foreclose shall be mailed, postage prepaid, to the owner at the address shown by the records of the Eastview Condominium Owners' Association, which shall be the address of the unit unless the owner notifies the Eastview Condominium Owners' Association of a different preferred address. In the event a lien is foreclosed by the Eastview Condominium Owners' Association or its representatives, the Owners' Association shall be entitled to an award of reasonable attorney fees. Nothing contained in this paragraph shall prohibit the Owners' Association from proceeding with an action for recovery of a money

judgment for the amount of any unpaid assessments, which action shall be maintainable without foreclosing or waiving the lien for unpaid assessments.

B. No owner may be exempted from liability for annual or special assessments by waiver of the use or enjoyment of the general or limited common elements and facilities or by abandonment of the unit.

C. No owner shall make any alteration or improvement to any of the general common elements and facilities or remove any portion thereof without the prior consent of the Owners' Association.

D. Each owner shall pay the separately metered utility expenses to maintain a minimum year round temperature of fifty-five degrees Fahrenheit (55°F) within the owner's unit and each owner shall be liable to every other owner for any damage to the other owner's unit caused by the failure to maintain a sufficient minimum year round temperature (deemed to be 55°F). In the event any unit is going to be left vacant for a period of more than seven (7) days, the owner thereof shall cause the water in that unit to be shut off.

E. Each owner shall be liable to the Owners' Association and the other owners for the expense of any maintenance, repair or replacement rendered necessary by the negligence of an owner, the owner's family, guests, employees, agents or lessees, which liability shall include any increase in insurance rates resulting therefrom.

F. The property shall be used for residential purposes only, and unless agreed upon by all unit owners, the leasing or renting to a non-owner shall be for a minimum period of ninety (90) days. There shall be no sub-leasing. All leases shall be in writing with a copy thereof provided to the Owners' Association prior to the date of possession. No lease shall relieve the owner of the unit from liabilities and responsibilities to the Owners' Association and other owners as set forth in this Declaration or imposed under the laws of the State of Iowa.

G. No unit may be sold without also conveying the owner's undivided in interest in the general common elements and facilities. Conversely, no conveyance of the

interest in the general common elements and facilities shall be made without a conveyance to the same party of a corresponding unit.

II. No owner shall convey, mortgage or lease any unit unless all common charges assessed against the unit have been paid.

I. Notwithstanding any other provision in this Declaration or in the By-Laws, the undersigned developers are irrevocably empowered to transact on the property any business relating to construction, sale, lease or rental of units, including the right to maintain signs, employes, equipment and materials on the premises. These rights shall continue until all units have been sold.

J. Every director and officer of the Owners' Association shall be indemnified by the Association for all expenses and liabilities, including legal fees reasonably incurred by or imposed upon them, in connection with any proceeding to which they may be a party by reason of their being or having been a director or officer of the Owner's Association, except in such cases where the director or officer is adjudicated guilty of willful misfeasance or malfeasance in the performance of their duties. The foregoing rights of indemnification shall be in addition to and not limit any rights the officers or directors may have under Iowa law.

K. The term owner as used in this Declaration and in the By-Laws shall mean the record titleholder of the unit and shall include a contract purchaser in possession. In the event of multiple, corporate or fiduciary ownership of a unit, said owner or owners shall designate a person in writing, filed with the Secretary of the Association, said person to act as owner in connection with the voting rights and administration referred to in this Declaration and By-Laws. Notices to be given by the Association are properly given to the owner or owners of the respective units if given to the designated person. Each unit shall be entitled to have one vote and that vote may not be split. The owner of a unit in Eastview shall be a member of the Association and shall remain a member of said Association until such time as ownership of the unit ceases.

L. The invalidation of any provision of this Declaration shall not affect the enforceability of the remaining provisions.

9. The following restrictions and limitations shall apply to all units in Eastview Condominium:

A. No noise or other activity shall be allowed which unduly interferes with the peaceful possession and proper use of the property by its owners, nor shall any fire hazard or accumulation of refuse or other material be allowed. No towels, clothing or other objects shall be permitted to be hung outside of the units. No fences, wires, lines, sheds, outbuildings or other structures of any kind may be erected by any owner in any common area or facility without prior approval of the Owners' Association.

B. No recreational vehicles, motorcycles, snowmobiles, all terrain vehicles, travel trailers, campers, boats, boat trailers, flatbed trailers, inoperable vehicles, or the like shall be parked in driveways or common elements (including unassigned guest parking) and facilities of Eastview other than on a strictly temporary basis not to exceed 48 hours. For purposes of computing the 48 hours, the relocation of the items at issue within Eastview or the temporary removal and return of said item shall not restart the 48 hour time limit unless said item is removed entirely for not less than ten days. No vehicles of any kind may be parked on the approaches to garages. Storage of gasoline or other flammable fluids shall be limited to five gallons at any one time.

C. All garage doors shall be kept closed at all times except when being opened for purposes of ingress and egress, or when a unit owner, family member or guest is personally present in the garage area. No garage shall be used to store discarded items, junk or other unsightly materials. Garages shall not be used as a shop.

D. Only gas or electric grills shall be allowed.

E. Trash containers shall be kept within garages at all times.

F. No pets shall be allowed even on a temporary basis, except that one dog under 25 pounds or one cat per unit shall be permitted. Any such pets shall not be left

unattended by the owners, may not be tied in any common area and shall not be allowed to run free. Owners shall clean up all waste of their pet. In the event a pet is deemed to be a nuisance by a majority of the Owners' Association at a duly called meeting due to the pet causing a disturbance of the other occupants of the units by excessive noise or disruptive behavior, the Owners' Association may require the owner of the unit where the pet is located or staying to permanently remove the pet from the premises.

G. No signs shall be placed on the premises, including, but not limited to, signs placed on the exterior of any unit. This subparagraph shall not prohibit real estate for sale signs. However, for sale signs shall be limited to no more than two signs per unit with said signs to be no larger than four (4) square feet each. Any for sale signs placed on the premises shall be removed as soon as practical after the unit advertised is sold.

H. Decks and patios are limited common elements and shall be the responsibility of the Owners' Association, which shall design, construct and maintain such deck or patio. Decks or patios shall conform with applicable state and local law and the use thereof shall be subject to such rules as may be promulgated by the Owners' Association.

I. No private docks shall be allowed on the premises. The Owners' Association shall be responsible for providing two (2) docks, one in front of each building. All docks are regulated by and shall be in conformance with applicable state and local law. The Owners' Association shall have responsibility for assigning placement of boat hoists at the docks, and all covered boat hoists located at the Association docks shall have beige boat covers.

Each unit shall be assigned space for one boat hoist not over 12,000 pound capacity and a boat not larger than 36 feet. Each unit shall also be assigned space for a lift for a personal water craft. No lifts may be stored on the shore. Catwalks for access to lifts will be installed at the expense of the Association and as approved by the Board. Lifts will be installed at the expense of the unit owner.

No lift may be used for a boat of a non-owner. No boats, lifts or lift spaces may be rented. No individual may install additional docks or catwalks except as approved by the Board.

J. Each unit shall be permitted to install one communication satellite dish which shall be roof mounted and shall not be larger than 18 inches in diameter. The location shall be approved by the Board.

K. The Owners' Association by a 2/3 vote of those present at a duly called meeting shall have the authority to amend or rescind any part of this paragraph 9. Additionally, the Owners' Association by a 2/3 vote of those present at a duly called meeting shall have authority to adopt and enforce other reasonable restrictions, rules and regulations relating to the use and enjoyment of the premises, including, but not limited to, assigning or reassigning placement and use of boat lifts; regulating the placement of items such as ladders, benches, diving boards, storage bins and the like on the dock managed by the Association; and regulating the use of common elements and facilities. Additionally, the owners of the Association, by 2/3 vote of those present at a duly called meeting, shall have the authority to amend, alter or overrule any regulations, standards and rules of conduct regarding the use and occupancy of the property adopted by the Board pursuant to section 3F of the By-Laws.

10. Notwithstanding any of the provisions of this Declaration or the By-Laws, the undersigned developers shall retain the right to name all officers of the Association who need not be owners of units until all units shall be sold, or until July 1, 2006, whichever shall occur first. The Developer shall be required to pay assessments for all completed units held by it. The Developer reserves the right to change the interior design and arrangement of all units owned by the developer at the time of such alteration so long as such alteration does not increase the number of units nor alter the boundaries of the common elements and facilities. If Developer makes such changes to a unit, those changes shall be shown by an amendment to this Declaration, which need be signed and acknowledged only by the undersigned developer and need not be approved by the Association, owners or mortgagees of the units herein.

11. Except as set forth in paragraph 10 above, this Declaration may be amended in either of the following manners:

A. By written amendment signed by all owners, acknowledged and filed with the Dickinson County Recorder; or

B. By approval of an amendment by not less than a three-fourths (3/4) majority of the owners present at a meeting called for the purpose of discussing such amendment. Notice of such meeting shall designate the time and place for the meeting together with a general description of the proposed amendment with the notice to be given not less than thirty (30) nor more sixty (60) days from the date of the meeting. At such meeting the written proxy of an owner duly signed and notarized either setting forth the owner's vote on the proposed amendment or authorizing another owner to vote on behalf of such absent owner shall be allowed and recognized by the presiding officer as a valid vote on the amendment.

C. No amendment shall be valid without the written approval of Developer as long Developer owns any unit. No amendment shall increase the number of units without approval of all unit owners.
